 LITHOSTUDI – Geologi Associati dei geol. Giuseppe Cutrona ed Emanuele Doria
s.l. Via Dante Alighieri, 28/c – 90011 Bagheria (PA) - info@lithostudi.it

A map of the western Mediterranean region, specifically focusing on the Sicilian coast. The map shows the coastline of Sicily and the surrounding waters. A small orange rectangle on the northern coast of Sicily is labeled 'Bagheria'. A larger green-shaded area on the western coast is labeled 'PA'. The map includes latitude and longitude markings along the edges.
